

### **SS.7.C.4.1**

#### **Differentiate concepts related to United States domestic and foreign policy.**

- Domestic Policy – actions that do not directly involve other countries.
- Foreign Policy – How the US deals with other countries.

*“Global Interdependence”* – each country needs other countries. Trade occurs because countries have different needs, resources, & advantages.

*Trade wars* happen when one country puts trade barriers (sanctions, import taxes, etc.) in place and other countries respond with their own barriers.

*International issues* include Environment, Immigration, Human Rights, Trade, Economic Differences (rich nations/poor nations), and Political Issues involving different systems of government.
